ANNUAL GENERAL MEETING

Thank you to everyone that was able to participate in our AGM and Open Forum. Everyone's patience while we change everything to online has been greatly appreciated. We were very pleased with how the meeting and voting went. Data on the Spot for our voting process was a huge success and time saver, we look forward to working with them in the future. We look forward to seeing you in 2021.

DID YOU KNOW?

CNAREA has a Job Board on our website, in our News section. If you are a candidate looking for a supervisor or are looking for a candidate please let us know we can post for you. Contact: adminas-sisst@cnarea.ca.

DIRECTORY LISTINGS

CNAREA's directory listing Search Tool is a highly utilized feature of our website. As we grow and update our resources we would like members to be able to update and change their listings (address, phone numbers, etc.)

In order to complete this we are asking members to create their own listings from here on out so they appear in your Directory listings on the left side of your Dashboard. To submit yours, there is a 'Submit a New Listing' after you click the Listings Dashboard. You choose which designation and then fill out your information. Upon approval, your listing will be added to website so prospective clients can find you.

If you have not looked recently, please check if you have a listing. Any listing that was in the Search Tool, that was not within your account, is now removed. If you want your information available to the public, you must create a new listing.

If you require any assistance please let us know.

ETHICS COURSE

CNA111, our Ethics course, is now available via distance learning. We have had a number of members successfully complete the course and have received some excellent feedback.

This course will eventually be mandatory for all members (end of 2020) however the intention is to currently have all candidates to complete the course by the fall.

If you have any questions regarding the Ethics course please contact Kevin Lonsdale at 1.888.399.3366 ext. 3
